## Working Bee

Sunday 9th September 8:30 until Midday, Rawhiti green area.

Beautifying the green area by painting the fence and creating a garden area to be enjoyed by our members. If you would like to help create this wonderful space, please contact David Oliver.

*Live five piece band Distraction, back by popular demand, 21st September.*

## BEER OF THE MONTH

# CHOMP

Embrace your inner velociraptor and get your jaws around this very special brew. Chomp is a New Zealand pale ale, and in true kiwi style it's the best of both worlds – well rounded and free from frills and feathers. Starting with hints of orange and tropical fruit flavours, it'll then snap at you with a touch of toothy bitterness, all backed up with a subtle Pacifica and Motueka hop flavour. Enjoy the taste, mind the teeth.
