NOVEMBER 2016

FROM THE BOARD

There are lots of exciting activities leading up to Christmas. These start with the *Calcutta* on Sunday 30th October, followed by the *Melbourne Cup* on 1st November. Kylie Bax will provide excellent race form commentary again for the *Calcutta* so come along and get your race picks. We also have John Price's expertise with the auction. We are very proud to support the Matamata Volunteer Fire Brigade again this year with 10% of the *Calcutta* profits being donated to them. These events have grown to be major events in the Club calendar so

get in the race spirit and enter the best dressed competition.

Landslide, the Fleetwood Mac Tribute Show is on 19th November with tickets available at \$25 pp. This is a great event for your Christmas function with a \$25 2-course buffet also available, and ideal for you to bring the whole family along for some great entertainment.

The courtesy van will be running for each of these events so book a pickup to make sure you get to and from the Club safely.

Good luck for Race Day. *Ivan Jenkins—President*
