From the Board

We are having a Working Bee this Sunday so really need some kind volunteers so we can spruce things up before winter. Please come along—feel free to bring family, friends, and join us for a bit of camaraderie and hard graft.

On that note, we would like to thank Russell Wright of Colchester Engineering and Alex Wright of Wrightway Builders for their fantastic donation of two outdoor tables and benchseats. These are in the recently

refurbished Rawhiti garden which has been magically transformed by Theresa Oliver, Annette Detman and their willing helpers. This provides another great facility for our members to enjoy, so please feel free to use this area if there is no function being

held in the Rawhiti Lounge

The AGM is fast-approaching—nominations are now open. Forms can be obtained from the main bar.—
Keith Lunn, President

Mitre 10 Development

Mitre 10 celebrated completion of the extension on 9th April and opened its doors to the public.

This completes a project that has been in the pipeline for Matamata Club for several years. Thanks again to the Board members past and present who helped make this happen, to the Club's investors and congratulations to Lynette on a successful project completion.

3-5 Win for Club Members

Congratulations to Matamata Club members Stu Settle, Bev Corbett, Paul Casey (Jnr), Kevin Smith, Bruce Milne and Debbie White who achieved success as part of the Hinuera Bowling Club winning the inaugural NZ Bowls 3five Interclub competition in Wellington. From an initial entry of more than 150 teams they prevailed in a very tight final over the Riverhead Club from Auckland and now have direct entry into the televised event to be screened in Oct/Nov on Sky Sport.
