### JULY 2016

#### FROM THE BOARD

The AGM was held on Sunday 26th June with 101 members attending. Thank you for your confidence in the Board and voting unanimously to proceed with the development of the No. 2 Bowling Green. We'll keep you updated in these monthly newsletters and on the noticeboards as things progress.

I'm pleased to let you know that a Joint Membership was passed at the AGM so 2017/18 Subscriptions will offer joint members a special rate of \$100 (conditions apply). I am also pleased to remain as President and will continue to serve you the best I can.

Things generally start to slow down in July with the colder weather so please continue to support the club through this quieter period. Why not organise a work social do at the Club to boost everyone's spirits when you're feeling tired and in need of a holiday... David and Annie also have entertainment planned to bring you in and the member's draw must go on Tuesday 5th July so don't miss out!

I'm looking forward to seeing in my new term as President and hearing what we are doing well and what we can do better.

*Ivan Jenkins—President*

#### IMPORTANT NOTICE

As discussed at the Annual General Meeting, the Board did not issue a price increase on alcohol purchases in February, despite suppliers increasing their prices. There will, however, be a price increase from 18th July based on an increased excise tax and brewery increases. We appreciate your understanding and continued patronage.
