

THE OFFICE

Matamata Club Inc

SEPTEMBER 2016

FROM THE BOARD

It's spring fever this month so we're trying something new with the 2-4-1 offer on main meals. This will continue on Tuesday nights but Thursday night there will be a 2-4-1 offer on a 2-course buffet for \$25.00.

There's also the Karaoke competition each Friday in September starting the 9th. With \$1000 in cash prizes make sure you let all your friends know as it's open to the public. This will be great entertainment for all the supporters knowing the talent there is around Matamata/Piako. Please enjoy what the month of September brings from your Club.

Ivan Jenkins—President

Karaoke for
everyone

**MEET KEITH
LUNN**

Vice President

This year I have taken on the role as Vice president. Very proud to be in this role for your club.

Time does fly and its 20 years this month, since my arrival to Matamata. When

I arrived Cam Fisher was the manager and Denis Allison the president. My youngest child wasn't even born and next years she is off to university!! Im told in another 20 years, I can call myself a local. Brought up in Morrinsville, I joined the BNZ in 1977 and am still there today. I have two brothers still in Morrinsville, a sister in Matamata and my dad lives at Mount Maunganui. I don't see myself moving any time, so just might make that "local" call one day.

The club is a great place—the management and President is supported by a great team. The adjuncts work hard to provide good facilities and events for the members. There is a lot coming up, like an 8-ball fun day on every second Sunday, the Dando 8-ball day 17 September. Twilight darts and bowls are also on the plan, plus the Melbourne Cup Calcutta and race day. Please take part in these events, it will give the organisers some good vibes. I'm always available to listen to your comments and idea to make this a better place. I hope you continue to enjoy the facilities.
